500 Enterprise Way, Suite 300, San Francisco, CA 94105

FORMAL NOTICE: GRADING OPERATIONS ON PROPERTY BOUNDARY

Date: June 10, 2026

Dear Neighbors,

We are writing regarding the heavy grading and excavation operations currently occurring directly adjacent to our eastern boundary wall.

Please suspend any excavation operations within five feet of our boundary wall until our structural engineers can review the ground vibration logs and site excavation maps. We wish to coordinate this review to avoid any damage to our foundation structures. Please contact our offices at property@synergysphere.com to organize a phone call.

Best regards,

SynergySphere Facilities Team
